## THE AMPS EXPERIENCE:

A very big thankyou to the staff at AMPS, who have recently assisted me with a workplace issue. I've received better service from AMPS in the past 12 months than from the HSUWA over the 5 years I was a member.

Hannah

I would highly recommend AMPS. As a 25 year paramedic I have been a paid member with other unions with government affiliation and been dismayed by cronyism and lack of genuine representation for members. AMPS is more apolitical and the team are more than happy to assist with workplace matters in a professional, friendly and timely manner.

Jacinta

Great response time and personal attention. William was easy to talk to, professional and I felt reassured just having a chat, with easy follow up options provided should it be required.
