THE TPASA EXPERIENCE:

TPASA are the most supportive and professionally accountable union there is for teachers. Without the political alliances that the alternative unions have they're able to truly stand up for the rights of their members.

Joe

My wife is a teacher and got help from the TPASA with an issue. The department was trying to intimidate her and TPASA totally shut them down. First class fighters, and great with guidance and support.

Wang

Very genuine support and advice. Timely responses via phone calls or emails. The zoom meetings are encouraging and informative. I highly recommend TPASA.
