## THE TPAV EXPERIENCE:

For 31 years, I was a member of the main teachers union in Australia. They never did anything to help me, always telling me to go to the Principal and do it myself. Never any help or attended meetings. Never read or assisted with letters or emails. What was I paying for? TPAV are the COMPLETE opposite! Always there, always prepared to listen & calm me down 🙏

Joe

Professional, personal and caring; above and beyond the call of duty to support all of its members. Highly recommend for all education staff who need a union who truly understands and supports them in and through all things.

Jacinta

VERY impressed with this Union!  
Knowledgeable, professional, warm, friendly & supportive staff. Committed to providing good outcomes for their members.
