## THE IWUA EXPERIENCE:

I had a representative of IWUA help me with a work situation that was very stressful. I would not have been able to get through it without their support and help. Thank you for working tirelessly to help and support your members.

Daniela

Sarah has been supporting me with a matter. It is so comforting to know you actually have someone who has your back. It's hard dealing with intimidating people so to know there is someone in your corner makes everything less stressful. I love that Red Union are Independent from the Department so cannot be influenced by those within. Thank you for all your help. You guys rock.

Deanne

The IWUA has provided outstanding tireless support during one of the most traumatic experiences in my work life. I cannot fault their dedication, communication and drive to help members who have been discriminated against and in crisis.
