*IWUA has been great throughout my battle with work issues. They have been the only union who have helped and supported their members through everything and not scared of a fight to get rights heard. Highly recommend for anyone in search of a union who will listen and help them out.*

*IWUA has been very helpful and non biased and has already helped me with some advice our workplace matters. They don't shy away or pick and choose their cases for easiest to hardest. They are there for you always. Sarah in Melbourne is my contact and has been a great help to date and I look forward to recommending IWUA to all my colleagues who have been dying for an alternative to the current union they are in.*
