THE NPAA EXPERIENCE:

Thank you NPAA! I, as others have said, were let down by the ANMF in the past, when support and assistance was required, you could hear a pin drop in most cases. NPAA for Nurses, not for Organizations, the way it should be! Time to put the feet up now :) Thanks again NPAA

Charles

My experience with NPAA has been nothing but positive. Everyone I have had contact with has been amazing. My case manager was always available, attentive and had great guidance.

Jody

I was with another union for over 30 years. When I needed their support, it wasn't there. So glad to find NPAA. Thank you!

Linda
