I just recently joined NPAQ & I am so impressed. I was nominated a support person by that afternoon of joining. The team has been honest, prompt & communication has been a gold standard. I'm still waiting to hear from previous union.... Would recommend 5 stars to all nurses.

When a nurse needs an answer and more information, it is absolutely wonderful that the NPAQ responds so speedily. Time is an essence in most situations and the NPAQ's response rate is professional and quick, living up to their name. Better than waiting weeks for a QNMU response, which shows a lack of professional support for the fees paid. No wonder NPAQ is the choice for so many nurses and other professions now.
