## THE NPASA EXPERIENCE:

Thank you NPASA! I, as others have said, were let down by the ANMF in the past, when support and assistance was required, you could hear a pin drop in most cases. NPASA for Nurses, not for Organisations, the way it should be! Time to put the feet up now :) Thanks again NPASA

Charles

My experience with NPASA has been nothing but positive. Everyone I have had contact with has been amazing. My case manager was always available, attentive and had great guidance.

Jody

I was with another union for over 30 years. When I needed their support, it wasn't there. So glad to find NPASA. Thank you!

Linda
