OUR STORY

The NZMPS is a new union that was formed to provide doctors with a viable, robust choice in representation. We actually have the courage to represent the things that are important to our members and promise to do what we say we will! We're able to offer fees cheaper than traditional unions, because we concentrate on employment matters.

Our sister unions in Australia are well established with tens of thousands of members. NZMPS has extensive resources plus an experienced team of lawyers and advocates to handle any workplace issue you face.

WHY JOIN?

- ✓ We are run by medical professionals, for professionals
- ✓ PI Insurance up to \$500,000
- ✓ We are not affiliated with any political parties
- ✓ We fight where other unions don't
- ✓ Lower fees - save up to ~\$550 per year on union dues

THE NZMPS EXPERIENCE:

These guys are the only union I would trust. Professionally run, personalised service and belief in what they are doing. They stand up for the things that matter.

Damien

I can't speak highly enough of the support I have received since joining. Compared with my old union it's like the difference between chalk and cheese! Old union: disinterested, bogged up in red tape, passive and hard to contact. NZMPS: Genuinely interested, caring, helpful, streamlined and active. I'll never go back!

Alan

Great response time and personal attention. William was easy to talk to, professional and I felt reassured just having a chat, with easy follow up options provided should it be required.
