THE TPAA EXPERIENCE:

TPAA are the most supportive and professionally accountable union there is for teachers. Without the political alliances that the alternative unions have they're able to truly stand up for the rights of their members.

Joe

Professional, personal and caring; above and beyond the call of duty to support all of its members. Highly recommend for all education staff who need a union who truly understands and supports them in and through all things.

Jacinta

Very satisfied with service, follow-up and ongoing information regarding my questions. Love that I get email responses and also follow up with telephone contact. Thank you!
