I discovered TPAA in mid-2023 and was surprised to learn there was another teaching union. Until then, I thought there was only one option. I made the decision to join TPAA based on their stance of supporting teachers to teach free of political agendas and for the strong support they show for individuals as evidenced in their case wins on their websites and socials.

I have had a very positive experience with TPAA. I'm so glad I changed unions. TPAA supports what teachers need and want so that our rights are protected. Unfortunately, other unions always give in to what politicians want and don't actually care what we need. I highly recommend TPAA.
